MYSORE STATE LIFE INSURANCE.

Circular No. 38, *dated* 1*st October* 1904.

The undersigned has the honor to state that all forms connected with the Mysore State Life Insurance have been revised and the Superintendent of Stationery has been requested to print and supply them to all offices in the State; it is therefore requested that Heads of Departments will be so good as to particularly see that on and after 1st November 1904, only revised forms are used. The entire stock of forms now on hand may at once be replaced by the revised ones from the Stationery Depot. Proposals for insurance and other returns prepared on the old forms and sent to this office on and after that date, will be returned.

HENRY EAGLES, *Secy., Insurance Committee.*

CHANNELS DIVISION.

Dated 22*nd October* 1904.

Tenders are hereby invited for improving the North Channel Sreeramdevardam separately for each section noted below.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 15th November 1904.

4. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The work must be completed by the 30th June 1905.

5. No tenders will be received unless accompanied by a deposit of Rs. 200 as earnest money, for each section.

6. Within eight days of the acceptance of the tender, the contractor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicants in due course.

V. AIYASWAMI IYER, *Executive Engineer.*

HASSAN DIVISION.

Dated 28th October 1904.

1. Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Hassan Division, up to the 15th November 1904, for constructing a bridge of 4 arches of 20' span in ⅛ of Frazerpet-Ramanathapur road. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1905.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Hassan between the hours of 11 A.M. and 5. P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees two hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing a bridge of 4 arches of 20' span in ⅛ of Frazerpet-Ramanathapur road"; in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
